Paisley Fair Bank Holiday

The Practice will be closed for the Paisley Fair Bank Holiday on **Monday 3rd August 2026.**

If you require urgent medical attention out with practice hours please contact NHS 24 on 111 or 999 for life threatening emergencies.

New Computer System 2026

We would like to thank our patients for their patience during a particular stressful time for the practice.

At this time we are still experiencing some teething issues with the new system especially with how slow the new system is running.

As a practice we understand this can be frustrating for patient's however this is out with the practice's control and being regularly monitored by the health board.

Subsequently this has made the work load higher and longer turnaround times for administration work to be processed.

Please bear with us, we are working very hard to ensure all our patient's needs are met. Thank you.

Prescriptions

We are reminding patients to please try and arrange all medications in a timely manner. The surgery has seen an increase of request of emergency medications required. Please note all routine prescription requests are a 3 day turnaround.
